### REPORT OF BOARD OF TRUSTEES OF FLORIDA METHODIST ORPHANAGE.

Dear Brethren: Our orphanage has had a year of prosperity and increased privilege in serving humanity. We are grateful for God's blessings and favors upon this work. The average number of children kept in the home during the year has been nearly seventy, thirty-two having been admitted and three having left this year.

We wish to emphasize the fact that our orphanage is a home in the strict sense of the word, that we have the continual care, the training, feeding and clothing of these children. They do not simply pass through our hands, remaining a few days at a time, as in a clearing house. Though we do have some applications for children to adopt, that particular kind of work is so thoroughly done and widely advertised by another organization, that we do not have much business of this character. This fact should bring a more liberal support to our home, especially in view of the fact that so large an interdenominational support is given to this other organization.

A very large per cent. of our children are dependent half orphans. Some are half orphans whose surviving parent can not make a home and give care to them, but can pay a small amount for such privileges—for such we are making a real home. The income from this source has been less than \$900 this year. We mention this because some exaggerated and false reports have been scattered over the state to the effect that we are conducting a boarding home and do not need the support by the

church. According to our constitution and bylaws, and because of the real need for such work in behalf of many children who otherwise would have no home and would be neglected and left to become delinquent, we feel that we should continue this form of work, even at the risk of misrepresentation. However, we most earnestly request the aid of our pastors in securing accurate information concerning any applicants from their charges. For this purpose blanks will henceforth be sent to pastors, which they are asked to fill out after a careful personal investigation. We must rely on the brethren to save us from imposition. We desire as far as our resources permit to minister to all such as really need our intended services.

#### **Location.**

Early in the year that great friend of the fatherless and motherless children and of our orphanage, Brother C. Brinkley of Jacksonville, offered to the board of trustees a fine tract of land of about thirty-six acres, worth from \$15,000 to \$20,000, very advantageously located for our work near the city of Jacksonville, for the the orphanage. This magnificent offer was accepted by the board after it had in a body visited the tract and carefully studied the situations and conditions. The offer is made on the very reasonable condition that the conference raise in cash and bona fide subscriptions \$10,000 by the 15th of December, 1915; all subscriptions to be secured by regular promissory notes and to be acceptable to Brother Brinkley.

#### **Building Fund.**

The board of trustees wishes the acceptance and endorsement by the conference of a method it has planned for the raising of this fund, to-wit: Organize the social service of every congregation in each district to secure pledges and cash, and to enlist the co-operation and support of our entire membership. For this purpose a preacher and a layman in in each presiding elder's district has been selected to visit the various charges to start such movement as well as to secure contributions for the fund; said committee to serve without pay, only traveling expenses to be allowed by the board. As the chief organizer of this work, as a field agent, the board has gratefully accepted the tender of services, without pay, of Brother Thomas Griffith. We ask the conference to endorse the field agent and give permission for him to travel over the state and to solicit in our various charges.

This offer and plan seem to put us at the beginning of a realization of our hopes and aims to make our orphanage not only a home but also to equip our boys and girls by manual, domestic, and agricultural training to go out into the world to be producers and good citizens of the commonwealth.

#### **Income and Expenditures.**

While it appears that the assessment has succeeded in increasing our income, having realized about 85 per cent, which is considerably

more than last year's income, there has been a detrimental feature in the plan. Very many pastors have waited until the end of the year to make remittance, so that during a large part of the year we have been compelled to strain our credit, and to borrow money for the current expenses. Just half of the total income for 1914 has been paid since Dec. 1. This hurts our credit and embarrasses our workers. Such negligence as this is almost inexcusable in view of the fact that the fifth Sunday offerings are used in paying the assessment. We most respectfully urge that all money raised for the orphanage be sent at once to the treasurer. All our accounts are payable monthly.

While our income has been increased about 25 per cent the number of inmates of the home has been increased nearly 50 per cent, consequently, though we have run on a more economical management than ever before, we will just about break even. See the treasurer's report for the figures.

#### Health.

The general health of our children has been good, no serious illness occurring except an epidemic of diphtheria early in the year. During this epidemic the home was quarantined and we had to have additional trained nurse and physicians daily. We are grateful to record that no death occurred and we came safely through the siege, thanks to the efficient nursing and management by the new superintendent and matron, who had just taken charge.

#### Religious Life.

Twenty-four children are members of our church. All of them are in Sunday school and attend religious services each morning. Twenty-seven of the children are members of the Epworth League. Great good was accomplished among the children in a revival in the first part of the year. Brother Bartlett, the pastor of the charge, has been faithful in his ministry to the children with the other members of the church at Enterprise.

#### Superintendent and Matron.

We count ourselves fortunate in securing Mr. and Mrs. H. B. Leach for superintendent and matron, respectively. They are rendering splendid service and have greatly increased the efficiency of the home. Both have had good training in actual orphanage work, both have experience and theoretical qualification, and their hearts seem to be in their work. Mrs. Leach's training as a nurse makes her peculiarly valuable in the home. Every one of the children loves the superintendent and matron.

#### REPORT OF BOARD OF EDUCATION.

Papers have been placed in our hands concerning the condition and varied activities of our church schools.

Among the notable events of the conference year has been the practical passing of Vanderbilt University from the patronage and control of the church, and the inauguration of two new university enterprises, one in the western and another in the eastern territory of that section of the United States under the direction of Southern Methodism.

Concerning these institutions we quote from the report of our Southern educational commission in its paper recently issued to the church at large:

"For the university west of the Mississippi river the Southern Methodist University at Dallas, Texas, has been adopted, provided its board of trustees and the annual conferences controlling it meet the conditions prescribed by the general conference for the ownership and control of the institution. This we are assured will be done, and the university for the region west of the Mississippi will be opened in September, 1915.

"The commission is glad to be able to report to the church the auspicious founding of a great university for the territory east of the Mississippi river.

"Atlanta has been selected as the location for it. A gift of \$1,000,000 from one member of the commission, and \$25,000 from another member, and a subscription of \$500,000 from Atlanta assured by the Chamber of Commerce of the city, all aggregating \$1,525,000, were made on the day the location was fixed. On the day following smaller subscriptions were made by members of our church, not residing in Atlanta, which amounted to \$3,000. In addition to these gifts the use of the Wesley Memorial Hospital, an institution worth \$200,000, is given for the school of medicine, and the Wesley Memorial building for the school of theology. The latter property is worth \$300,000."

Thus it will be seen, contrary to all rules of the mathematician, nothing minus one equals two.

The awakening along higher educational lines is making itself felt, until no longer is it possible for the church to conduct her educational work as a sort of side issue and in a haphazard fashion. Education must be given a place in the very center of her progress.

In its legislative policy, the last general conference set a new pace for the conduct of conference boards of education. Note the following:

1. It is made the duty of "each annual conference board of education to nominate for appointment by the president of the conference a secretary of education."

2. It is made the duty of the conference board of education "to co-operate with the general conference board of education in securing educational statistics and information from the schools under its care and in classifying its schools."

3. The board of education is requested to give careful study to the problem involved in the presence of a large number of Methodist students in state institutions; that said board, in co-operation with the conference boards of education, assist the local churches in the important matter of the religious development of their students and in holding them to Christ and the church."

The truth of the old saying, "It's an ill wind that blows no good to any one," was no more fully exemplified than in the unfortunate Vanderbilt matter, since in the future "the boards of trustees, which are charged with the oversight and management of all our schools and colleges, will see to it that all our institutions are firmly fixed in the ownership and control of the church, and that their religious character is in keeping with the pious motives which impelled consecrated men and women to make gifts by which they were established."

We may only refer to the work of the department of ministerial training and help. Here again the church has taken advanced ground, and under provisions adopted by the last general conference "it is made the duty of pastors to report the names and addresses of any such candidates to the quarterly conference for permanent record, and the duty of the presiding elders in turn to report all such names and addresses.

together with the names and addresses of all who have been licensed to preach during the year, to the department of ministerial supply and training. In this way individual attention can be given to every young man looking to the ministry, and he can be furnished such inspiration and direction as may be needed. We ask special attention to these provisions and urge the importance of their proper observance.

"The general conference also heartily indorsed our ministerial educational loan fund for the assistance of young men preparing for the ministry in the schools and colleges of the church and instructed the board of education out of its funds to make such appropriations to the loan fund as might be possible."

Wesleyan College for Women at Macon, and Emory College at Oxford, deserve more emphasis and consideration than the scope of this paper permits. It is noted with pleasure that these great institutions have maintained their enviable record, and added new evidences of virility with the passing year, matriculations having been gratifyingly large.

Referring briefly to our own conference school, Southern College, we wish to report that in spite of the handicap of meager resources, the school is making a worthy name for itself, and under the inspiration of a new administration and greatly improved physical conditions, has promise of moral and material support which prophesys well for its future.

With the end in view of furnishing material aid to meet a present crisis the board requests the conference to authorize:

1. An increase of \$1,910 on our regular conference educational assessment, making the assessment for 1915 \$7,500.
2. The placing of an educational special of \$1,000 on each district to be raised by the presiding elders, they being given the privilege of adopting any plan which may most surely promise success.
3. We recommend to Bishop Morrison the appointment of Rev. George F. Scott to be conference secretary of education.
4. We recommend W. O. Rencher for appointment as instructor in Madison Normal Institute.
5. We recommend the appointment of Rev. R. H. Alderman as president of Southern College.

**REPORT OF ADVOCATE PUBLISHING COMMITTEE.**

Dear Brethren: Finding that the Advocate was carrying a large number of delinquent subscribers who seemed to regard their obligations to the paper with indifference, an effort was inaugurated this year by our editor to weed out those who would not pay, and to put the paper on a cash basis. In this effort the circulation of the paper has been cut down to 3,500; not more than 500 of whom, probably are in arrears, and practically none of whom owe for more than a year. If the conference receipts are what we have reason to expect we shall close the year out of debt.

We wish to record our hearty appreciation of the co-operation extended by a number of our pastors, at the same time expressing our regret that this co-operation is not more general. If the entire body of our preachers would heartily act as our agents for their conference organ to the same extent as some have done, we would have no trouble in pushing our circulation far beyond what it has ever been, to the infinite advantage of every phase of our work and of every interest of the conference.

We recommend that a board of trustees be elected for the Florida Christian Advocate, to hold such property as the paper may now have or may acquire; that said trustees be nine in number; that they be elected quadrennially, as other boards, on nomination of the presiding elders, and that said board shall conduct the business of the paper instead of the publishing committee heretofore doing so; that the trustees be given full authority to publish the paper according to their best judgment, as to style, size, frequency of issue, etc., make all contracts, employ needed labor, and do all things necessary to carrying on the business.

As there has been some talk concerning the consolidation of our Advocate with the Wesleyan Christian Advocate, your committee deemed it wise to secure all the facts in the case that the matter might be given thorough consideration. To this end we solicited a proposition from the Wesleyan Advocate. We gave this tentative proposition careful consideration and the unanimous decision of our committee is that such consolidation would not be wise and we decline to enter into such agreement as proposed.

We desire to express our hearty appreciation of the faithful labors of our editor, J. E. Wilson, and respectfully recommend him for re-election to that position and appointment by the bishop.

We recommend that January of each year be designated as Advocate month and that the last preaching Sunday in January at each appointment be especially designated as Advocate Sunday, and that during this time a vigorous campaign be conducted for the purpose of putting the Advocate into all our homes and that an effort be made to pay the Advocate assessment during this period. An effort of this sort will count tremendously in the support and development of the work during the year.

We further recommend that an assessment of \$2.000 be levied upon

the conference, this assessment to be paid as heretofore in new subscriptions, 10 per cent on renewals or in cash.

In conclusion, we recommend that this conference pledge itself anew to our Advocate, which is an indispensable agent for spreading information regarding the work of God, for inspiring intelligent interest and enthusiasm among our people for the church and its many activities, and for promoting those reforms and religious movements for which the church stands, as well as for combatting heresies and other evils that threaten the wellbeing of our church and its people.

The Advocate is of fundamental importance. If it prospers, every interest of the church is helped thereby; if the Advocate suffers, every other interest suffers with it.

Let us put it into the homes of all our people and educate them to appreciate and be loyal to it. We can do it if we will. Both our interest and our honor demand that we do it and that speedily. No man among us has vision enough to prophesy the blessed results that will follow.

D. B. Sweat, Chairman.

J. E. Wilson, Secretary.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The printed page, as well as the living voice, is an essential factor in the building of the kingdom of our Lord. The word that is preached must be from the Book of books, and this Book must be the daily source of information and inspiration to the child of the kingdom. So the great doctrines of the Word as held and taught by our Methodism from its pulpits and in its schools, must be kept before the mind and find a lodgment in the heart of our preachers and people, through our books and periodicals. No one can be a well informed and well prepared Methodist without the use and study of this source of supply and medium of training. One can not be in full sympathy with a great cause without keeping informed as to its movement. Hence every Methodist family should have the church paper and read it; and in our homes there should be brought and used the books that establish us in the "faith of our fathers," enlarge our spiritual vision and feed our sons with "convenient food."

The man who wishes to be thoroughly prepared, be he preacher or layman, should avail himself also of the aid furnished in the reviews and books from men of thought and vision. It is also true that, as the handful of corn scattered on the mountain multiplies and produces a hundred fold, so the booklet and tract, cheap in price but often rich in thought and truth, furnish seed corn for abundant future harvests.

Our publishing house at Nashville, with its large and varied list of good books, is an exhaustless storehouse of food for brain and soul, and under the present efficient management of Smith & Lamar, is proving a great blessing to the church. The Christian Advocate edited by Dr. Ivey is sound in theology, loyal in policy, rich in spiritual manna and interesting in its varied contents and deserves a large patronage from the whole church.

Our own Florida Christian Advocate is a potent and essential factor in our work in Florida under the efficient editorial management of Rev. J. Edgar Wilson, backed by an interested and faithful publishing committee, deserves the approval and practical support of every Methodist family in Florida and should be in every home.

The Quarterly Review by Dr. Gross Alexander provides for the preacher and laymen desiring and needing fuller and better equipment for their work, a splendid help.

These we believe to be statements of fact, and we annually "resolve" about them; but they are worth nothing to us unless the pastors mainly and the people generally put them into operation. Let us purpose what we "resolve" by vote and work for practical results.

Therefore be it resolved.

First—That we pledge ourselves to a thorough canvass of our charges early in the year for subscribers to the Florida Christian Advocate; and that we bring to the attention of our people the merits of the Christian Advocate (at Nashville), urging them to subscribe for it where two papers can be taken.

Second—That as far as possible we will avail ourselves of the valuable aid of the Quarterly Review.

Third—That we try to induce our people to buy and read our Discipline, and other good Methodist books; and endeavor to place at least one good book in every family every year. Also that we make use of the large supply of booklets and tracts issued by our publishing house by a systematic and persistent distribution of them.

Edward K. Denton, Chairman.

H. E. Partridge, Secretary.

#### REPORT OF BOARD ON LAY ACTIVITIES.

To the Bishop and Members of the Conference:

Dear Brethren: In accordance with the requirements, under legislation enacted by the last general conference, your conference lay leader begs leave to report as follows:

I am pleased to report that the district lay leaders desire to work in connection and in harmony with their respective districts, giving assistance wherever they can to the best interests of the conference.

From the best information to be obtained, less than 50 per cent of the churches have active missionary committees. Less than this number have made an every-member canvass and use the duplex or any form of envelopes for raising the claims.

It is very gratifying to report that wherever the church lay committees have been properly organized and the every-member canvass made and the duplex envelope system used, it has proven to be successful and in many cases the success was beyond expectation of those who put it into effect. The most gratifying results have been achieved from the every-member canvass, as it not only looks after the financial end of the church, but also brings the officers into direct contact with the entire church membership, getting a true report of the spiritual welfare and

condition of each member, which enables the pastor to more effectively do his pastoral work, know his congregation, their needs, and where his attention is most needed.

Where the financial plan for Methodists has been put into effect in a majority of cases we have only praise for its successful working. First, it nearly always raises the needed funds; second, it gives the laymen of the church something to do, brings them into contact with the church and develops them as church workers; but the greatest benefit received therefrom is the spiritual uplift—giving them a new vision and new knowledge of the work of our Lord. Therefore, we earnestly request that every minister in the Florida conference take into his confidence the laymen of his church or charge and encourage them to assist him in the uplift and upbuild of the church, it being the desire of this board on lay activities, during the coming year, to thoroughly organize the laymen in church work throughout the entire conference.

A. W. McLaren of Wellborn, Florida, has been duly nominated conference lay leader for the ensuing year and the following is a list of the district lay leaders as elected at the last sessions of the district conferences:

Name of district.	Lay Leader	P. O. Address
Jacksonville	E. A. Pabor	So. Jacksonville, Fla.
Tallahassee	J. H. Perkins	Monticello, Fla.
Gainesville	F. B. Godfrey	Alachua, Fla.
Tampa	R. H. Johnson	Bradentown, Fla.
Ocala	J. C. Carter	Dade City, Fla.
Miami	J. B. McDonald	Stuart, Fla.
Bartow	C. H. Mitchell	Arcadia, Fla.
Palatka	A. R. Chapell	Sanford, Fla.

We ask the prayers and co-operation of every member of this conference that we may have the light and wisdom necessary to carry on this work. Respectfully submitted.

A. W. McLaren, Conference Lay Leader.

#### ANNUAL REPORT OF TRUSTEES OF ANASTASIA METHODIST ASSEMBLY.

Dear Brethren: It is a pleasure to be able to report that our conference assembly has been started on a higher plane materially than any one of the other eight like institutions of our church except one, and it compares very favorably with that one.

The unanimous comment of visitors is that success is already assured by our unusually fine location, superb beach, good bathing, first class hotel, artesian water, electric lights and transportation.

The hotel is of Spanish design, has forty bed rooms, a magnificent court and large verandas. Two thousand five hundred dollars will finish it and an additional three thousand will be required for furniture.

Six cottages have been built by lot owners at a total cost of \$12,500. Our total indebtedness is \$8,250.11. Our assets in notes, amounts due on contracts and balance of a \$10,000 subscription of the St. Augustine

Board of Trade, aggregates \$9,192.84. Our receipts for the conference year have been \$11,502. Disbursements have been \$11,293.14.

Deed has just been executed to us, through the St. Augustine Board of Trade, for an additional fifty-eight acres of land. This completes the land obligation of that body to us. We call special attention to the tabulated report on lots.

We recommend the re-appointment of Rev. W. G. Fletcher as assembly agent.

Ira S. Patterson, President.

W. G. Fletcher, for the Trustees.

### REPORT OF EPWORTH LEAGUE.

It is with great pleasure that we report the work of the Epworth League during the year. It has been in every way a year of progress. We have made a gain of 600 members and forty new leagues. The state organization held a conference in St. Petersburg in June which had more than two hundred delegates in attendance. The sessions were enthusiastic and inspiring. Four hundred subscriptions were pledged by the state conference to the Florida Christian Advocate; these have been largely secured, about 75 per cent being paid for up to date. For the African missionary special \$1,100 was pledged, the largest contribution made by any single annual conference of the Epworth League. The state conference also pledged a scholarship of \$200 for Southern College. President Alderman was asked to select the scholarship student; Rev. O. E. Rice was selected.

We occupy one page each week in the Florida Christian Advocate; Mrs. M. B. Little is the editor of this department. We desire to thank the Advocate editor and board for this generous contribution to our work.

We confidently expect the Epworth League to become a larger factor still in the life of our conference. Four district conferences have been held this year; two others are being planned.

We implore the more diligent assistance of the pastors. We note, however, a lamentable carelessness on the part of many.

Committee.

### ANNUAL REPORT OF BOARD OF TRUSTEES OF SOUTHERN COLLEGE.

Bishop and Brethren: The board of trustees begs leave to submit the following as its annual report:

First—Disposition of college lands:

On Dec. 1, 1913, there were due two notes by the college, one to the Exchange National Bank in the sum of \$12,000, and one to the Bank of Clearwater in the sum of \$6,500.

To meet these notes and sundry other outstanding obligations the board of trustees was compelled to ask the Florida conference to allow it to sell such college lands as could be spared from college purposes. This land was sold to the Sutherland Development Company under a resolution of this body authorizing such sale, a record of which will

be found in 1913 Year Book, page 40, signed by J. A. Hendry and L. N. Pipkin, the price agreed upon being \$38,500, of which \$18,500 was paid in cash and the college taking \$20,000 in the stock of the company. The cash realized was used to pay the two notes above mentioned.

**Second—Improvements to buildings and furniture:**

At the conclusion of the school year 1913-14 the board took a careful survey of the college properties to find them in sad need of immediate repairs and improvement. It determined upon a policy of expenditure which it felt would be adequate to put the properties in such condition as to command patronage. President Alderman was by former resolution authorized to proceed with said repairs up to an amount not to exceed \$4,000. Soon after the work had been undertaken, however, it was seen that such a sum would be entirely inadequate to accomplish the end sought, and under advice of the president of the board and other members of the executive committee, \$12,355 were expended. The nature and extent of these improvements are such as to put the institution in rank with the best of our Southern colleges and command the highest praise of appreciative patrons. It is not the design nor is it within the scope of this paper to go into details of the work accomplished. This will be outlined to you by our president.

**Three—Present condition of the school:**

(a) Faculty—The present faculty consists of twenty professors and assistants, all competent, acceptable and efficient instructors, and among whom the utmost harmony prevails.

(b) Attendance—Attendance as the fall term is very gratifying under present conditions, while the outlook for a much larger matriculation at the opening of the spring term is exceptionally good. Present enrollment is 136. The personnel of the student body is equally gratifying.

(c) General Interest—That there is an awakening interest and concern in behalf of the school is very manifest even to the casual observer. This is well and it is none too soon in coming if this important branch of the church is to succeed.

(d) Finances—The board begs leave to state that the school now owes in round figures, as per schedule below, something over \$20,000. Some of this must be raised at once in order that the interest be not jeopardized.

**Fourth—Present indebtedness:**

<hr/>	
Total .....	\$22,919.57

Fifth—We recommend that the board of education be instructed to apportion to each district the sum of \$1,000 special for education, to be raised by the presiding elders and that at least one-half of said amount be raised by May first.

Sixth—We recommend that the board of trustees make such sale or other disposition of the college stock in Sutherland Development Company as in their business judgment may conduce to the best interests of the institution.

John B. Ley, Secretary.

**REPORT OF COMMITTEE ON TEMPERANCE.**

We, the ministers and lay members of the Florida annual conference, united to publish the gospel of glad tidings, rejoice to announce the good news that the accursed liquor traffic is doomed, not only in our fair land, but in the whole world. We have special reason for rejoicing in the fact that the end of this business in our own government is so near at hand. With our present chief executive in the chair, surrounded by a God fearing cabinet, supported by a law making body committed to the overthrow of this great evil, together with the state legislatures so largely prohibition in sentiment and determined in purpose, and encouraged by the many brilliant victories of the recent past, in which many counties and four whole states have passed into the dry column, we can clearly see that this, the greatest enemy of God, the church and the home, is now in the relentless grip of death, and will soon be buried beneath the intelligent vote of this great nation.

Therefore, be it resolved by this body here assembled:

First—That we recognize as the leading agency in God's hands for the destruction of this evil, the church of God in co-operation with the Anti-Saloon League and the Woman's Christian Temperance Union. And that we give them our full endorsement, and pledge them our hearty support and co-operation, opening to them our houses of worship whenever possible, and giving them any other assistance we can.

Second—That we urge the voters of Hillsboro county to go to the polls next Tuesday and add that great county to the forty already dry counties in the state of Florida.

Third—That we instruct the secretary of this conference to wire our delegation in Washington to support the Shepherd-Hobson bill.

Fourth—That we urge our state legislators in both houses to take such action as will submit to the voters of Florida at the earliest possible time a vote on state-wide prohibition.

Fifth—That we rejoice that the European nations now **at war** have recognized the weakening and otherwise evil effects of strong drink and have banished it from their armies.

Whereas, Secretary Daniels, through his loyalty to the right and the courage to carry out his Godly convictions, has banished intoxicants from our navy, thereby deserving the thanks of the God serving people of the nation, he is resolved

Sixth—That this conference hereby express its appreciation of his manly course.

Whereas it has been repeatedly shown that the use of tobacco is both filthy and injurious, and whereas our last general conference passed a law binding the committee on admission to require the candidate for admission into an annual conference to agree to abstain from the use of tobacco, be it further resolved by this body that we insist that our members and especially all of our preachers abstain from its use.

B. F. Sheffer, Secretary.

### REPORT ON SABBATH OBSERVANCE.

Dear Fathers and Brethren: Since God in His wisdom has set apart the Sabbath day wherein man should rest from his labors and render special thought and service to Almighty God, and since by reason of man's physical, mental and spiritual constitution he stands greatly in need of such day, we therefore advise that as pastors and laymen we use our utmost endeavors to maintain the sanctity of this blessed Sabbath day. To this end we ask you to discourage the common and growing practice of the people in using this day to discharge their social functions one to another. Also, to register your emphatic protest against Sunday excursions, and Sunday pictures shows. Furthermore, to use your influence against any and all practices that tend to socialize or secularize the holy Sabbath of God.

We recommend that every pastor be requested to insist from his pulpit upon the proper observance of this day. And all the more since it is very largely from the pulpit that sentiment is created and convictions formed. Respectfully,

R. L. Honiker, President.

W. J. Palmer, Secretary.

### REPORT OF THE BOARD OF MISSIONS.

The purpose of the church is to go into all the world and carry the gospel to every creature. The membership of our church is beginning to feel that it is their duty to either go or send the gospel to all men. Our people are studying our missionary needs and praying for our missionary work as never before. We appreciate the hard and laborious work of our general board of missions at Nashville and pledge it our hearty co-operation in all its efforts to further our Lord's kingdom.

The conference board has under its care all the home missionary work in the territory embraced in the Florida conference—that is from the Apalachicola river to Miami and Key West.

In our conference there are many sparsely settled country districts, small, but growing towns, that must have the gospel preached to them, but cannot have it without assistance from the conference. In addition to this there is the city problem and the foreigners in our midst. Your conference board is endeavoring to supply the need with its limited means as best it can. The board could use much more that it has, but we regret that our domestic and foreign missionary assessment was not raised in full the past year, but trust this year every dollar of it will be raised. The progress of our Lord's kingdom demands that we raise every dollar of this assessment.

We would urge upon our pastors the importance of early collections for missions, for the board is dependent upon the year's collections to pay the missionaries their salary. Delayed collections mean suffering to our faithful men and their families who are serving these mission charges.

Let us see to it that our people are supplied with missionary literature in abundance; that we make an honest effort to place the Missionary Voice in every home.

We would recommend "The Financial Method for Methodists," a joint policy of the board of missions, the board of education and the church extension board.

We also recommend "The Every Member Canvass" in line with the plan set forth in the "Financial Method for Methodists" and would set as a goal for Florida Methodists an offering equal to 75 cents per capita.

We also recommend the appointment of Rev. W. F. Allen as conference evangelist.

**REPORT OF SUNDAY SCHOOL BOARD.**

Dear Fathers and Brethren: In view of the great work accomplished by our field secretary in past years, and the fields yet uncultivated which can not be done without this office, therefore we recommend

First—That an assessment of \$1,900 be levied on conference to be raised by the Sunday school during the ensuing year.

Second—That we ask for the appointment of Rev. A. H. Cole as field secretary for the year.

**Report No. 2.**

It gives us peculiar pleasure in submitting to you our fourth annual report.

During the past quadrennium the Sunday school work has had unprecedented success throughout the entire church and especially in our own conference, bringing the Sunday school work in Florida to a high state of efficiency.

Much of the credit for this growth belongs to our retiring faithful secretary, Rev. C. W. White. The report of his work is attached hereto.

• There have been held under the direction of the board, four divisional institutes at the following places, viz.: Monticello, Jacksonville, Fort Meade and Ocala. We engaged as speakers the best available talent. These meetings were highly beneficial to the general work. The expenses were largely defrayed by those in attendance.

We regret to report that from such information as we have Children's day has not been as generally observed as heretofore, nor as much so as the interest of the church demands.

The report of the treasurer of the board for the year up to today is as follows:

Total receipts from all sources.....\$2,622.53

Disbursements as follows:

Traveling expenses .....\$ 39.60

Printing ..... 17.00

Postage ..... 6.00

Total incidental expenses.....\$ 62.60

Expenses of board representative to meeting of conference

chairmen .....\$ 66.00

Divisional institutes ..... 243.52

By the general Sunday school board..... 354.14

By western Sunday school work..... 50.00

By missionary literature ..... 15.72

By salary field secretary..... 1,812.21

By cash on hand..... 14.34

Total disbursements and cash on hand.....\$2,622.53

We have had no report up to date from the conference treasurer.

Reports from the general officers indicate that the forward movement throughout the church continues, notably the enlargement by the last general conference of the powers and work of the general and conference Sunday school boards; the creation of new periodicals; namely, the special edition of the magazine for teachers using graded literature; the Workers Council, designed for pastors and Sunday school officers; the Missionary Messenger, a monthly leaflet containing information and program for use on Missionary day in the Sunday schools—the subscription price is only two cents per copy per year; also the change and enlargement of the Visitor.

The department of teacher training continues to grow numbering now 2,550 training classes with 22,000 students enrolled. Yet it has reached less than one-fourth of the teachers in the church.

We desire to call especial attention in this department to a special correspondence course for pastors that they may become examples and leaders to their workers in definite Sunday school ways.

In the department of church extension where the Sunday schools are establishing a loan fund to assist in building modern Sunday school churches, our conference is doing but little. There are only eleven birth-day jars in use and there has been raised thereby only \$73.61 during the past year in Florida. The total Sunday school loan fund is now \$7,012.92.

The Wesley class work has made marvelous progress in the past quadrennium. There are now more than 4,300 classes with a membership of 130,000, 55,000 of these being added last year.

We ask that you accept the resignation of Rev. A. H. Cole from the board and that Rev. J. L. Moon be placed on the board in his stead.

Organization for the quadrennium: G. S. Roberts chairman, C. F. Blackburn secretary, F. E. Steinmeyer treasurer.

Respectfully submitted.

G. S. Roberts, Chairman.

A. W. McLaren, Secretary.

Your board has, during this session of the conference, instituted a movement looking to the organizing of a Florida Sunday school conference of our church analagous to the Florida state Epworth League Conference, the object of which is to federate into a state organization primarily the Wesley classes, teachers' training classes and organized adult Bible classes, etc., etc. The officers of above conference are to be elected by and under the direction of the annual conference Sunday school board. Provision is made for district organizations under departmental superintendents.

Your board has taken initial steps to this end to the extent of drafting a constitution and bylaws for same and has elected Brother S. D. Harris of St. Petersburg as state president of Florida Sunday school conference for the year of 1915.

This movement seemed to be imperative to keep our Sunday school workers from being entirely absorbed in an interdenominational organization.

#### **REPORT OF SUNDAY SCHOOL FIELD SECRETARY.**

Have attended three missionary institutes and made talks on Sunday school work; attended seven district conferences and represented Sunday school work.

Visited and addressed twenty-four high schools; attended women's missionary meeting in Jacksonville and represented the Sunday school work.

Have held seventy-two Sunday school institutes, speaking many times on the work. By the assistance of the pastors, I have organized

twenty-five new Sunday schools; fifty-two teacher training classes have been organized; sixty-eight Wesley classes have been organized and registered.

Over five hundred circular letters and many personal letters have been written in the interest of the Sunday schools. The Sunday schools have made very marked advance on standard of efficiency, as was shown in the state institutes.

Have assisted in three meetings. Forty-six joined the church on profession of faith.

Received on Sunday school assessment, \$89.43.

The spiritual and inspirational part of the work, which is the most important, can not be tabulated. For itemized report, see monthly report to Sunday school board. Yours truly,

C. W. White,

Field Secretary, Florida Conference.

#### REPORT OF CONFERENCE BOARD OF CHURCH EXTENSION

Your conference board of church extension, after careful and prayerful consideration of the applications for aid, has made the following disposition of the funds in hands:

	Donation	Loan
Palatka District—Howe Creek.....	\$150	\$...
Bartow District—Prospect .....	200	250
Jacksonville District—McClenney .....	500	...
Ocala District—		
Homassasso .....	100	...
Dunnellon .....	100	...
Elfus .....	100	...
Tampa District—Edgewood .....	150	...
Parsonages—		
Miami District—		
Homestead .....	150	...
Titusville .....	...	200
Tallahassee District—Appalachicola .....	100	200
Total .....	\$1,550	\$650

The assessment for the ensuing year, including an assessment of \$100 on each district for the John C. Ley loan fund is as follows:

Bartow district .....	\$ 933
Gainesville district .....	862
Jacksonville district .....	880
Miami district .....	921
Ocala district .....	925
Orlando district .....	967
Tallahassee district .....	826
Tampa district .....	1,087

We regret the very great decline in amounts raised on the assessments for the past year and enter our protest against the practice of

discriminating against the church extension fund when assessments are not in full. This claim should be put on a parity with all other claims. Great numbers of people are coming in to our state and great demands will be made upon us for caring for these people religiously. Let us rally to this great work and make full collections our aim for 1915.

Respectfully submitted.

J. B. Mitchell, President.

Howard Dutill, Secretary.

## MEMOIRS

### I. A. VERNON.

Rev. Isaac Asbury Vernon, the subject of this appreciation, was born of godly parentage in Charleston, Mo., July 26, 1846. He was born again in early manhood and immediately felt called to the Christian ministry, and when I became his pastor in Charleston, Mo., in 1872, I found him resisting the call and consequently a restless and unhappy man. In the fall of 1878 he became obedient to the heavenly vision and was admitted on trial into the White River conference, Arkansas. From that time till the close of his life, his supreme purpose was a cry, "Behold, the Lamb!"

After ten years of service in the White River conference he was transferred to the Florida conference in 1888, and finished his life and min-

istry in Tampa, Fla., in the home of his son, Baker, April 18, 1914.

Brother Vernon, natively, had a high order of intellect and would have reached the high places had he not been handicapped by the want of early training. At the age of 16 he enlisted in the Confederate army at Walnut Ridge, Ark., and being small of stature became the mascot of his company. He was mustered out of service at the close of the war, having passed through several battles and much hard service. As may be seen, the years that would have naturally been devoted to study were given to the defense of his country.

At the age of 20, a ragged, penniless young man, with only his musket and knapsack, he set his face toward the hard tasks that were before him. He was a man of strong convictions and fiery earnestness. No one ever went to sleep under his preaching. He was often eloquent and always entertaining. His ministry was effective and many were slain of the Lord as he wielded with much force the sword of the Spirit. He was never a misfit, he always left his charges in better condition than when he entered upon the work. For more than thirty years on what is generally termed hard works he bravely went forward until physical infirmities forced him to retire from active service. For several years his sufferings have been grievous, often painful in an extreme degree.

Brother Vernon was thrice happily married. The three noble women who shared the hardships of his ministry were all my personal friends. He was married the last time at Hawthorne, Fla., Sept. 29, 1896, to Miss Willie Martin, who with two of his children, Baker G. Vernon and Mrs. Fannie R. Gatlin, remain to cherish his memory.

He was related to some of the choicest people of southeast Missouri, viz, the Moores, Goodins and Haws, to whom Methodism in that country owes so much.

I feel personally bereft, being honored in an uncommon degree by friendship, as he often said, "You are my best friend." A few days before he went away he said, "I believe that God will take care of me." so I hope after the mists have cleared away to meet him again in that land

"Where everlasting spring abides,  
And never withering flowers."

#### W. A. WIER.

William A. Wier, son of the late Robert O. Wier and his wife, Laura F. Grant of Noxubee county, Mississippi, was born near Macon, Miss., May 15, 1870.

At the early age of 14 he was left an orphan, both father and mother dying in 1884, his deprived him of educational advantages, but being a boy of ambition and perseverance he dug out, almost unaided, a fair English education. He attended school for a while, prior to his parents' death, in Pickensville, Alabama. After struggling for some time, he met Captain Wright, who was conducting a school for boys in Livingston, Ala. He secured a place and taught in this school and pursued his studies under the direction of Captain Wright.

He was always of a religious turn of mind and was never seen in

bad company nor heard to use bad language. He was converted at an early age and united with the M. E. Church, South, at Pickensville, Ala., under the ministry of Rev. D. S. McDonald of the North Alabama conference. He came to Florida in 1866 and stayed a while in Sumpter county with his brothers, the late Thomas A. Wier, and Rev. Robert O. Wier, then a member of the Florida conference, but now of the Texas conference. While living with the latter he was licensed to preach at Stewart's chapel, Webster, Fla., in 1889, when only 19 years of age. After this he returned to Alabama and it was then that he taught with Captain Wright in Livingston.

He returned to Florida in 1893 and taught school in Gadsden and Polk counties. In 1893 he was recommended to annual conference by the Bowling Green quarterly conference, Rev. A. E. Householder, P. E., and Rev. R. O. Wier, P. C. He was admitted on trial at Palatka, Fla., in January, 1894. He was sent to the Fort Bassinger mission. While on this charge he was married in 1894 to Miss Lulu Odom, daughter of the late Ebenezer Odom, near Plant City, Fla. He was true to his convictions and lived without a blemish on his character. He leaves behind him to mourn his going away, a wife and five children, three boys and two girls; three brothers, Rev. R. O. Wier of the Texas conference, J. S. and J. W. Wier of Bessemer, Ala., and four sisters, Mrs. B. Wier of Birmingham, Ala., and Mrs. C. O. Hilton of Atlanta, Ga., Mrs. A. H. Rummel of Princeton, Fla., and Mrs. J. J. Neylans, Jr., of Tampa, Fla., and a host of friends wherever he has been.

Will was a noble boy. He wouldn't do a little mean thing. He was a true man. He was consecrated to his work. He loved the work. He had a hard time but he bore it bravely, and God has said, "It is enough, come up higher." Our hearts are bowed in sorrow but we sorrow not as those who have no hope. We will meet him again where sorrow never comes and they never say goodbye.

May our Heavenly Father take care of his loved ones left behind. May they all meet him in the Father's house above.

### MARY C. COLLIER.

Mary C. Collier, nee McCollum, was born in Anderson county, South Carolina, in 1844; married to Rev. J. S. Collier in Micanopy, Fla., 1870, and died in Tampa, Fla., April 1, 1914.

Her life was beautiful, her death triumphant, her resurrection will be glorious. She was quiet in disposition, not impulsive, but thought well over all that was to be done in her home and elsewhere. It was very remarkable how faithful she was to her Christian duties. Her love for her Master and His cause was continuous. She was consistent and very punctual in the service of God; ever present in the house of the Lord when she could be. Her times of prayer were frequent.

It was a marked fact that she first considered the comfort and pleasure of others. Kind and accommodating, she was a woman of a gentle spirit, forgiving and tender; a strong character and impressive

personality. A fine itinerant, loving the church and its work; she never murmured but went to the work uncomplainingly.

The Word of God always had pre-eminence with her. No one could ever gainsay her piety. The doctrines of Jesus were exemplified in her consistent and patient living. The Lord's will was her will.

How fitting the language of the apostle to her life, "I am crucified with Christ; nevertheless, I live; yet not I, but Christ liveth in me and the life which I now live in the flesh I live by the faith of the Son of God, who loved me and gave Himself for me."

#### MRS. S. A. COLLINS.

Mrs. S. A. Collins, widow of the late Rev. W. C. Collins of the Florida conference, died at the home of her brother at Miccosukee, Fla., Nov. 28, 1914, and was buried the following day by the side of her sainted husband in the cemetery at Tallahassee.

Sister Collins united with the Methodist church in early life and lived a consistent Christian life until she was called to her reward. She was a faithful helpmeet to her husband in his long and useful labors in the itinerant ministry. Their home was a charming Christian home, and their children were carefully trained in the nurture and admonition of the Lord.

Sister Collins was the mother of four children, three sons and one daughter, all of whom are faithful members of the church of their parents. After living to a ripe age our sister has heard the Master's call, "Enter thou into the joy of thy Lord."

#### MARTHA SMITH LEY.

The subject of this obituary notice was born in St. Mary's, Ga., Dec. 25, 1829, and departed this life at the home of her eldest son, Rev. John B. Ley, on Aug. 24, 1914, having lived eighty-four years and seven months, lacking one day. Between her age and that of her husband, Rev. John C. Ley, there was seven years and five days difference. She survived him by seven years and five days, so that their span of life was identical.

From a child, she had "known the scriptures," and they had made "her wise unto salvation." From the writer's earliest recollections she had read the Bible through twice each year, a practice she continued till failing eyesight and recently failing health made the joyous task no longer possible.

While a life long sufferer from nervous affliction, which was greatly aggravated by a fall she received in 1861, yet her love for her Saviour and faith in His atoning merit was a pronounced characteristic of her beautiful life. Generous almost to a fault, deeply sympathetic, all suffering appealed to her and none ever was too unworthy to share her interest or prayers.

She was a devoted wife, standing hard by the man of her choice through fifty-four years, sharing cheerfully the hardships of his pioneer ministry in Florida. She was a loyal little worker. No boys ever had a

better, a nobler, a sweeter, a more self-sacrificing mother than she.

Her end came at the close of weeks of weary waiting and weakening, and having drawn her three boys to her bedside, placing their hands together, she breathed a blessing upon them. Just a little later, shaking hands with each who stood around she said "Goodbye." Then a moment afterward she waved her wan, thin hand to all and said "Farewell." After a few subsequent hours of semi-consciousness she fell asleep without a struggle, surrounded by her sons and many loved ones and friends who follow on, for we know where mother has gone and how to find her.

#### MRS. NORA E. BARR.

Mrs. Nora E. Barr, wife of Rev. T. L. Z. Barr, was born in White Springs, Fla., Feb. 21, 1879, and passed to her heavenly reward from the Methodist parsonage in Apalachicola, Fla., at 2:45 o'clock in the morning, Aug. 10, 1914.

She was converted and united with the Methodist Episcopal Church, South, in White Springs, Fla., at the age of about 21 years, under the ministry of Rev. W. C. Norton.

She married Rev. T. L. Z. Barr of the Florida conference, Feb. 1, 1905. This union was blessed with two bright little boys. She was a very effective worker in the church until she lost her health some two years ago, and even since that time she did many things for the souls of those around her. Having been a successful teacher for some years before marriage she was intellectually prepared for great usefulness in the Master's vineyard. She leaves her parents, Mr. and Mrs. H. C. Roberts of White Springs, Fla., and seven brothers and one sister to mourn her departure. Her husband and two step-children will miss her presence and wise counsel.

She greatly appreciated what her many friends in Apalachicola did for her during her last illness. She often spoke of her friends in other places, and her dying words were "Tell them all to meet me in heaven."

Sister Barr was among the many invalids whose experience deepened their convictions, strengthened their faith, and brightened their hopes. She suffered with Christ in the discharge of her duties to her family and fellowmen, only ceasing when the voice from on high, "Good and faithful servant come up higher." The funeral services were similar to a spiritual revival. "Tell them all to meet me in heaven." was still resounding. Though dead she yet spoke.

Sister Barr's influence still lives and will be felt for years to come through husband, boys, relatives, friends and acquaintances. She has gone to her reward, "A far more exceeding and eternal weight of glory."

May her dying request be a prayer and be answered!
